

Schedule your appointments online!

Many appointments can be scheduled online using Patient Online Services. Online scheduling is easy and quick.

You'll see appointments you can schedule in the appointment scheduling section of Patient Online Services.

On the Web

1. Go to mayoclinic.org/onlineservices to log in to Patient Online Services.
2. Go to the Appointments and Admission section.
3. Select the "New Appointments" tab.
4. Select the appointment you would like to schedule.

On the Mayo Clinic app

1. Log in to the Mayo Clinic app.
2. Tap “Request Appointment.”
3. Tap “Request Appointment Now.”
4. Tap the appointment you would like to schedule.

Whether on the web or the Mayo Clinic app, follow the instructions for choosing the location, time, and date for your appointment.

- Make sure you select the “Schedule Now” button to complete the appointment scheduling process.
- Check “Upcoming Appointments” to verify that the appointment has been scheduled.

If the appointment you want isn’t available for online scheduling, select the “Appointment Request” option found on the same page. Your care team will respond and help schedule the appointment.
