Solutions for Healthier Living

Claims

We are in-network with several insurance companies, which allows for a higher level of benefits than when receiving equipment and supplies out-of-network. We can also file a Medicare claim on your behalf, for supplies with a doctor’s prescription.

Online Ordering

Mayo Clinic Store offers a convenient online tool to order healthcare equipment and supplies. Items purchased through the online store can be shipped directly to a location of your choice. The selection of supplies may vary from your community Mayo Clinic Store.

Personalized Fittings

We provide personalized, confidential consultations in a private fitting area with our caring and dedicated staff. Certified fitters help ensure that you find mastectomy or compression garments that will meet your needs. To ensure sleep comfort, CPAP machines and mask fitting services are provided by highly trained technicians.

Mayo Clinic Merchandise

Mayo Clinic Store offers a wide range of Mayo Clinic products including branded apparel and Mayo Clinic authored books.

Mail Order Service

Mayo Clinic Store provides fast, discreet shipping, as well as superior customer service. All home care supplies are shipped in unmarked packages, right to your doorstep. Most products ship the same business day that you place your order. For additional convenience, ask us about our refill reminder service.

CPAP

Our primary goal is to provide our customers with the training and education to use their new sleep apnea equipment and supplies successfully. After your equipment is personalized and fit to your needs, we will teach you how to properly use your CPAP machine and mask interface. And we are always here for additional support if you need it.

Warranty & Repairs

Mayo Clinic Store will help customers with manufacturer warranty and repairs on equipment purchased from our locations. Our dedicated team is happy to assist with service and replacement products, or parts for your durable medical equipment.
