

Check Symptoms

Got symptoms? Get them checked anytime.

CONVENIENT, EASY-TO-USE DIGITAL CARE OPTION

Check Symptoms is a free online tool that allows patients to answer a series of targeted questions to evaluate symptoms and receive a care recommendation. It is available through Mayo Clinic's patient portal 24/7/365 making it accessible at any time to give you peace of mind.

CARE RECOMMENDATIONS

Patients receive expert Mayo Clinic care recommendations that are evidence-based and guided by clinical

protocols. Based on responses provided, care recommendations may include:

- Self-care instructions based on Mayo Clinic's educational content
- Options to speak with an experienced triage nurse
- Self-scheduling an in-person or video visit with a care team

WHO CAN USE IT

Check Symptoms is available to patients who have a Mayo primary care provider and have a home address in Arizona, Iowa, Minnesota or Wisconsin.

WHERE TO FIND IT

Check Symptoms is available through Mayo Clinic's patient portal. To access the assessment tool:

- Log into your account in the patient portal
- Click on "Check Symptoms" within the "Get care" section of the portal homepage
