

ROCHESTER CAMPUS OF MAYO CLINIC

Community Impact Report 2024

In 2024, Mayo Clinic continued its commitment to strengthen the vibrancy and health of the greater Rochester and Olmsted County communities. Mayo Clinic understands that the well-being of its surrounding communities both reflects and extends its mission to inspire hope and promote health through integrated clinical practice, education and research.

COMMUNITY INVESTMENTS

In 2024, Mayo Clinic in Rochester contributed nearly \$9.3 million to numerous nonprofit organizations addressing social determinants of health, community health priorities, health disparities, inclusion, and community vibrancy for residents in Olmsted County and Southeast Minnesota.

COMMUNITY INVESTMENTS

Community investments lead to better health

Mayo Clinic recognizes that health is built upon community foundations, such as access to quality education, housing, nourishing food, safe neighborhoods, and a sense of belonging and connection with others. In 2024, Mayo Clinic contributed nearly \$9.3 million to enhance the health and vitality of our community in many ways. Mayo Clinic supported community programs that collectively provided more than 1.7 million points of enrichment to area residents.

HIGHLIGHTS

- More than \$2.8 million to support programs and organizations expanding healthcare access for residents with limited or no health insurance. This includes more than \$240,000 in financial and pharmaceutical support, along with volunteer and medical direction support, to operate the Salvation Army Good Samaritan Health and Dental Clinics that serve the needs of more than 2,800 underinsured and uninsured residents annually.
- More than \$1.7 million to organizations and initiatives addressing mental health needs in greater Olmsted County. This includes \$1.1 million to the Southeast Regional Crisis Center, a 24/7 resource for community members across Southeast Minnesota in need of mental health crisis support.
- Over \$100,000 to Doc's Recovery House to help improve resource navigation tools for people seeking help with substance abuse disorder.
- More than \$600,000 in support to youth enrichment programs through organizations such as Boys & Girls Club of Rochester; SPARK, Children's Museum; Bolder Options; Sports Mentorship Academy; and many others.
- \$310,000 in support to Channel One Regional Food Bank and Food Shelf to help alleviate food insecurity. Channel One served a historic number of clients in 2024.

COMMUNITY VIBRANCY

Through its financial support of the Rochester Downtown Alliance, Rochester Area Economic Development Inc., Southern Minnesota Initiative Foundation, Collider Foundation, and many other civic organizations, Mayo Clinic helped strengthen economic and community vibrancy. Mayo Clinic also provided more than \$500,000 in support to local and regional arts and culture venues, including Rochester Art Center, Rochester Civic Theatre, History Center of Olmsted County, Rochester Civic Music and more.

COMMUNITY PARTNERSHIPS

Mayo Clinic continued to help lead the Coalition for Rochester Area Housing, a collaboration of public and private sector organizations investing in creating and preserving affordable housing. Since its inception, Mayo Clinic has contributed more than \$13 million to this effort. In 2024, The Coalition for Rochester Area Housing helped to create and preserve 285 affordable homes in Olmsted County.

Mayo Clinic participates in and co-leads the Olmsted County Health Assessment and Planning Partnership to assess and improve community health. In 2024, Mayo Clinic contributed more than \$5.8 million to area efforts addressing the community priorities of mental health, substance use, and access to care.

Mayo Clinic also helps to identify the social determinants of health needs among primary care patients and guides them to community resources through its community health worker program.

EMPLOYEE CONTRIBUTIONS

In 2024, Mayo Clinic employees contributed over \$1 million to support local nonprofits through its employee community giving program. In addition, Mayo Clinic matched its employees' contributions with \$425,000. Mayo Clinic employees also contributed over 1,600 hours of community volunteer service.
