

# Administrative Fellowship Program Application

**Instructions:** Complete this form and submit it with other application materials, as directed on our website.

## Applicant Information

Name (Last, First)		Graduate Academic Institution Name	
Pending Degree	Current Graduate School GPA	Graduate School Graduation Date (mm-dd-yyyy)	
Undergraduate Academic Institution Name	Degree	Undergraduate Cumulative GPA	

Rank the following area(s) of interest with 1, 2, or 3, with 1 being most interested. If there is not an interest in an area, leave that option blank:

- \_\_\_\_\_ **Destination Medical Center** (fellows will be based in Jacksonville, FL; Phoenix/Scottsdale, AZ; or Rochester, MN): Two-year program designed to prepare fellows for leadership roles across the largest integrated, not-for-profit healthcare system in the world. Fellows will complete core foundational rotations, tailored elective rotations, and strategic assignments that will provide invaluable leadership experience across ambulatory, procedural/surgical, and hospital settings.
- \_\_\_\_\_ **Community and Rural Healthcare** (fellows will be based in Eau Claire, WI; La Crosse, WI; or Mankato, MN): Two-year program designed to prepare fellows for leadership roles at Mayo Clinic Health System, a large health system in the Midwest with 16 hospitals, 44 clinics, and 17,000 employees. Fellows will complete core foundational rotations, elective rotations, and strategic assignments in ambulatory, procedural/surgical, and hospital practices in a community health system setting.
- \_\_\_\_\_ **Research** (fellows will be based in Rochester, MN): Two-year program designed to prepare fellows for leadership roles supporting Research Administration. Fellows will complete core foundational rotations in their 1st year then focus the 2nd year on Research Administration assignments which will provide invaluable leadership experience in basic translational, clinical, and epidemiological research programs across Mayo Clinic.

In the box below and on the following pages, **number your responses** to correspond to each of these statements (1,500 total words maximum). Fillable fields do not expand or flow to the next page, so you will need to click in the next field to type or paste more information:

1. Briefly highlight why you are interested in the Mayo Clinic Administrative Fellowship, and share your key attributes and strengths that make you an ideal candidate.
2. Provide insight on what factors, from a personal or professional perspective, influenced your ranking for Destination Medical Center, Community and Rural Health, and Research.
3. Briefly highlight two to four experiences that have prepared you for an administrative fellowship.
4. Describe your career goals and your professional inspiration.
5. Share your values as they align with the values of Mayo Clinic.
