MAYO CLINIC

Mayo Clinic Specialty Pharmacy

For transplant patients at Mayo Clinic

Mayo Clinic Specialty Pharmacy

"We have never been allowed to lose sight of the fact that the main purpose to be served by the Clinic is the care of the sick."

- William J. Mayo, M.D. (1861-1939)

Our program gives you access to a full range of pharmacy and support services, saving you time and effort.

PERSONAL MEDICATION MANAGEMENT FOR TRANSPLANT PATIENTS

If you or a loved one needs transplant services, you know how important it is to follow your treatment plan. You also know how hard it can be to manage things, from having the right medicine on hand to completing paperwork.

Mayo Clinic Specialty Pharmacy can give you personal specialty pharmacy care and peace of mind.

Mayo Clinic Specialty Pharmacy's patient management program was created by pharmacists to help you take your medicine as directed and manage side effects. These strategies help you to get the best results from your treatment.

LEARN MORE ABOUT MAYO CLINIC SPECIALTY PHARMACY

Mayo Clinic Specialty Pharmacy services are available to patients who have had a transplant at Mayo Clinic.

For more information, and to see if the medications prescribed by your Mayo Clinic health care provider qualify for Mayo Clinic Specialty Pharmacy services, please call **1-800-337-3736.**

MAYO CLINIC SPECIALTY PHARMACY... AN EXTENSION OF YOUR MAYO CLINIC CARE

Mayo Clinic Specialty Pharmacy will optimize your treatment by partnering with the rest of your health care team. Our experienced pharmacists and pharmacy technicians work with your physicians, nurses, and other caregivers. Together, they create a complete and personal medication management plan for you.

Pharmacists can see your Mayo Clinic medical records to coordinate your care. Our pharmacists are here to answer your questions and help you follow your medication plan. Pharmacy representatives are available to address your concerns quickly and professionally.

If you have problems with your treatment or think there is an issue with your medicine, please talk to your pharmacist. Your pharmacist can help you monitor your condition, get the most benefit from your medications, and limit side effects. They can also find drug interactions, and tell you about manufacturer warnings or recalls.

Your care works best if you and your caregivers take an active role. Mayo Clinic Specialty Pharmacy's patient management program will work with a team of experts to help you get the most benefit from your treatment.

EXCEPTIONAL QUALITY FROM A NAME YOU CAN TRUST

Our Specialty Pharmacy offers personal consultation and express delivery service. We make sure you have safe and effective drugs when and where you need them.

We focus on your personal needs and keep your information private and secure.

FAST, CONVENIENT SERVICE AND FREEDOM FROM PAPERWORK

To save you money, we will use a less expensive generic drug whenever possible, unless you tell us you don't want it. The generic version is FDA approved, works the same, and is safe to take.

Mayo Clinic Specialty Pharmacy handles all billing and prescription drug plan claims for you. This frees you from filling out forms and filing claims. We send claims to private insurance companies, Medicare, and other third-party payers.

You will need to give your credit card information to the Mayo Clinic Specialty Pharmacy to pay for your share of the cost (copayments and coinsurance).

Pharmacists are available to answer questions and help you adhere to your medication plan. Pharmacy representatives are available to address your concerns quickly and professionally.

If you have questions or concerns about your treatment or any information you were given, our team of specialists is available 8 a.m. - 6 p.m. Central, Monday through Friday, except on holidays. Just call our toll-free number at **1-800-337-3736.**
