

Minnesota Primary Care Price Transparency and Facility Fee Disclosure

New Prague OB

Minnesota law requires primary care and pediatric clinics to annually post the following information for the top 25 most commonly billed services priced over \$25, including the top 10 Evaluation and Management and Preventive Medicine services. Mayo Clinic supports the intent of this law to educate patients on the cost of healthcare and the patient financial responsibilities. **The amounts posted below do not reflect the amount(s) each clinic patient will pay for the services listed.** Depending on your health insurance, this hospital-based clinic may charge a separate facility fee, which might result in higher out-of-pocket expenses. For specific information about the amount you will owe for the services you receive, Mayo Clinic can provide a good faith patient estimate for services to be performed by contacting our Financial Counseling Contact Center at 507-284-2421 or toll-free at 833-479-5483. Office hours for Patient Estimating Service staff are 7 am to 6 pm CST, Monday through Friday.
