HIGHLIGHTS: Ethical dilemmas related to patient care can be associated with medical, psychosocial, ethical, and spiritual challenges for health care team members. This course focuses on:

- How to effectively determine patient preferences and appropriate goals of care.
- Developing a coordinated, consistent approach to ethical dilemmas to reduce both the frequency of occurrence, and stress among providers, patients and their families, and the community.
- Creating, and implementing, an ethics consultation service in your practice based on the four quadrant approach.

INTENDED AUDIENCE: Health care providers, such as physicians, nurses, social workers, and chaplains, involved in the management of ethical dilemmas in patient care.

CREDITS: Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic in Arizona is an approved provider of continuing nursing education by the Arizona Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
